Don't waste any time, order today!

Feature	Benefit	Hygeia EnJoye Cordless	Spectra Personal Use Pump*	Medela Personal Use Pump*
Hospital Grade Quality	The same speed and performance as the pumps used in a hospital setting	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Personalized Controls	Separate speed and strength controls for mom's individual comfort level	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Closed System	Closed systems are built to protect your child from contaminants such as dust, smoke, pet dander or bacteria	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Cordless	The cordless feature is great for moms going back to work, moms who travel and moms on the go	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Additional Monthly Accessories	Most moms qualify for additional monthly accessories at no cost, saving hundreds of dollars	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Multi-User	Multi-User pumps offer the same hygienic standards as the pumps used in a hospital setting	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Compatible With All Medela PISA Accessories	Important feature for moms that already own a Medela pump or need accessories available at retail stores * Spectra adapter available at additional cost	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Portable and Lightweight	The Spectra weighs more than the Hygeia, making it more difficult to carry	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Recycle Program	Hygeia is an eco-friendly company that will re-use or re-purpose your pump	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

NPI# _____

Physician Attention: I certify that I am the physician identified on this form
I have reviewed the Written Confirmation of Order contained herein

MEDICAL NECESSITY: Research shows breast-fed infants have a lower risk of diarrhea and otitis media than bottle-fed infants during the first year of life. For premature infants, breast milk helps prevent infections, speeds recovery from respiratory distress syndrome, increases weight gain, protects against retinopathy, and facilitates cognitive and visual development.

Z39.1 Breastfeeding/Lactating Mother

Separated from Child >10 Hours/Week

P92.5 Infant having difficulty feeding at breast
